# Product Overview

Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

# Connection Guide

## Connect to Your iPad

Power on the keyboard. Press and hold the [⌘] key for three seconds until the pairing light on the keyboard begins to flash.

Turn on Bluetooth on your iPad and toggle it 'on'.

Open the Settings app on your iPad.

In the Bluetooth settings, search for "Wireless Keyboard" under 'Other Devices.' Once paired successfully, the wireless signal light on the keyboard will turn off.

Note: The keyboard will automatically connect to your device the next time it is used.

# Keyboard Button Guide

Icon	Function	Icon	Function
esc	This key undoes the input.		This key reduces the brightness.
	This key increases the brightness.		This key opens the recently used window.

	Press Fn + this key to change the backlight color.	fn ^ control	The compound key of Fn and control provides additional functionality.
ON/OFF	Use the power switch to turn the device on or off. Pull up to turn ON, and pull down to turn OFF.		

# Indicator Guide

## 1. Power Indicator

Turn the keyboard ON. The Bluetooth blue light will flicker. When the battery drops below %20, the red light will flash slowly, signaling a low battery. When the keyboard is turned OFF, it will stop functioning.

## 2. Bluetooth Connection Methods

**a.** Turn the keyboard ON. The Bluetooth indicator will flash to signal that the device is entering pairing mode.

**b.** To pair again, press and hold the [] key for 3 seconds. The blue light will flash three times per second to indicate that pairing is in progress. If the pairing is successful, the blue light will turn off.

**Note:** If the pairing fails, the backlight and all other indicators will turn off, and the keyboard will enter sleep mode.

## 3. Reconnect Bluetooth Indicator

After the initial pairing is successful, turn the keyboard off and then back on. It will automatically enter the Bluetooth reconnection mode. The blue light will flash three times per second. Once the connection is successful (within 5 seconds), the blue light will turn off. If the connection is unsuccessful, the backlight and all other indicators will turn off, and the keyboard will enter sleep mode.

## 4. Charging Indicator [ ]

**a.** Charging: When charging via Type-C, the red light will remain on. The red light will turn off once the keyboard is fully charged.

**b.** Low Battery Indicator: When the battery drops below %20 (3.2V), the red light will begin flashing once per second until the keyboard is powered off.

## 7. Reset Settings

Press the [esc] + [⏻] + [🔧] for 3 seconds. The indicator will flash three times to clear the keyboard pairing information and return the backlight to the second level of white.

## Trackpad Gesture Instructions

	<p>Tap: Press with one finger until you feel a slight click.</p>		<p>Tap and Hold: Press and hold with one finger.</p>
	<p>Drag: Tap and hold an item, then swipe your finger across the trackpad to move it.</p>		<p>Go to the Home Screen: Swipe the pointer across the bottom of the screen with one finger. Once the Dock appears, swipe the pointer across the bottom of the screen again, or tap the bar at the bottom of the screen.</p>
	<p>Open the Dock: Swipe the pointer across the bottom of the screen with one finger.</p>		<p>Open Control Center: Move the pointer with one finger to select the status icon in the upper-right corner. Then tap or swipe up with one finger.</p>
	<p>Scroll Up or Down: Swipe up or down with two fingers.</p>		<p>Scroll Left or Right: Swipe left or right with two fingers.</p>

	<p>Open Search: Swipe down with two fingers.</p>		<p>Zoom: Place two fingers close together. Pinch to zoom in or pinch to zoom out.</p>
	<p>Open the Today View: When the Home or Lock screen is visible, swipe right with two fingers.</p>		<p>Switch Between Open Apps: Swipe left or right with three fingers.</p>
	<p>Go to the Home Screen: Swipe up with three fingers.</p>		<p>Open the App Switcher: Swipe up with three fingers, pause, then lift your finger. Alternatively, pinch with four fingers, pause, and lift your fingers.</p>

## Additional Notes

- 1. Operating System Requirement:** The device must run iOS 15.0 or higher (ensure the equipment supports touch functionality).
- 2. Touch Settings (After Successful Pairing):**  
To enable touch settings, follow these steps:
  - 2.1** Go to Settings > General > Trackpad
  - 2.2** Enable Click / Double Finger Assist Point.
- 3. Sensitivity Settings**  
To adjust the touch sensitivity, follow these steps:
  - 3.1** Navigate to Settings > General > Trackpad
  - 3.2** Adjust Tracking Speed to your preferred level.

**4. Troubleshooting Touch Issues** If you experience issues with the touch function, try the following solutions:

**4.1 Enable or Disable Assistive Touch:**

- a.** Go to Settings > Accessibility > Touch
- b.** Turn Assistive Touch on or off as needed.

**4.2 Restoring the Mouse Icon:**

If the mouse icon is missing, you can zoom in and out on the trackpad by using two fingers to restore it.

## Specifications

Bluetooth Version	BT 5.0

Working Voltage	3.3 to 4.2V
Working Current	2.5mA (Backlight Off)
Standby Current	0.5mA
Sleeping Current	Less than 0.04mA
Charging Current	300mA
Standby Time	1500 Hours
Charging Time	3.5 hours
Operating Current for the Backlight	About 120mA
Operating Time	4h (Backlight Enabled), 320h (Backlight Off)
Sleep Time of Backlight	30s
Deep Sleep Time of Keyboard	10min
Battery Capacity	500mAh
Connection Range	10m

## Precautions

1. Store and use the product at room temperature for optimal performance.
2. Do not attempt to disassemble, repair, or modify the product yourself.
3. Keep the product away from rain or humidity to prevent damage.
4. Avoid using chemical solvents to clean the product. Use a soft, dry cloth instead.
5. Do not throw the product to prevent damage caused by impacts or falls.
6. If you do not plan to use the product for an extended period, charge it at least once every 2 months to maintain battery health.
7. Do not discard the product recklessly or place it in areas with high temperatures or near fire, as this may pose safety risks.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products procured directly from the **Levelo** website or physical store comes with a 24-month warranty. **Levelo** products purchased from any of our authorized dealers are guaranteed with a one-year warranty. If you wish to extend this warranty, you'll need to go to our website at **<https://levelobrand.com/warranty>** and fill out the necessary form, making sure to include your personal information and a photo of the product. After your request has been evaluated and accepted, we'll send you an email notification to affirm the extension of your product's warranty.
