Thank you for purchasing our product. Before using the product, please carefully read this User Manual to guarantee correct usage and keep it secure for future reference.

Charging the Power Bank

1. Before using the power bank for the first time, ensure it is fully charged. The unit requires 3 to 4 full charge and discharge cycles to optimize the battery's performance.
2. To maintain optimal battery health, it is recommended to recharge the power bank every 3 months when not in use.
3. Connect the regular USB end to the output USB port of a computer or wall outlet.
4. Insert the TYPE-C end into the input port on the power bank.
5. The display will illuminate continuously once the power bank is fully charged.

Schematic View

Specifications

Capacity	10000mAh
Type-C Port/ Type-C CABLE Input	DC 5V/3A, 9V/3A
Type-C Port/ Type-C CABLE Output	DC 5V/3A, 9V/3A, 10V/2.25A, 12V/2.5A, 15V/2A, 20V/1.5A
Wireless Output	5W/7.5W/10W/15W (Qi2 MPP)
Total Output	DC 5V-3A(MAX)
Product Size	102x65.2x22mm
Weight	235g
Operating Temperature	0 to 35°C

Charging Other Devices

- 1.** Always verify the voltage compatibility of your device before connecting it to the power bank.
- 2.** Insert your device's regular USB-C charging cable into the output port of the power bank.
- 3.** Connect the other end of the cable to your electronic device.
- 4.** Your device should indicate that charging has started.
- 5.** Once charging is complete, remove the USB cable from the power bank.

Safety Precautions

- 1.** Improper use may result in product damage, decreased battery life, and loss of charging capacity.
- 2.** Always check your device's voltage for compatibility before use.
- 3.** Only charge the unit using your computer or a certified, approved power adapter.
- 4.** Do not store the power bank in high or low-temperature environments, small enclosed spaces without ventilation, or place it near fire.
- 5.** Do not drop, bump, throw, or shake the unit, as this may cause internal damage to its components.
- 6.** Never attempt to disassemble, repair, or modify the unit yourself.
- 7.** Keep the unit away from water or moisture to prevent damage.
- 8.** If the battery becomes excessively hot, emits an unusual odor, gets dented, or shows any abnormal deformities, immediately cease usage of the unit.
- 9.** Always dispose of the battery at an authorized recycling center to ensure proper handling.
- 10.** Avoid using harsh chemicals or cleaning agents on the exterior of the unit.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products procured directly from the **Levelo** website or physical store comes with a 24-month warranty. **Levelo** products purchased from any of our authorized dealers are guaranteed with a one-year warranty. If you wish to extend this warranty, you'll need to go to our website at <https://www.levelobrand.com/warranty> and fill out the necessary form, making sure to include your personal information and a photo of the product. After your request has been evaluated and accepted, we'll send you an email notification to affirm the extension of your product's warranty.
