DEFINES DESIGN

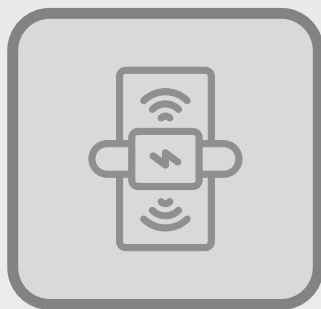

## ROMA

10000mAh POWER BANK WITH INTEGRATED CABLE & IWATCH CHARGER

# Elevating Durability Beyond The Limits

## iWATCH WIRELESS CHARGING

Hassle-free charging for iWatch with integrated wireless charging capability.

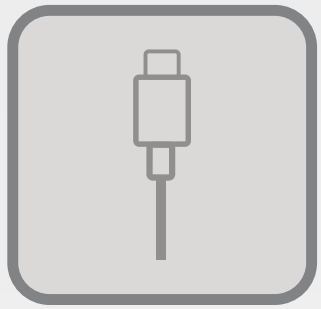

## FAST CHARGING

Designed to support rapid device charging with modern technology, delivering energy efficiently and swiftly.

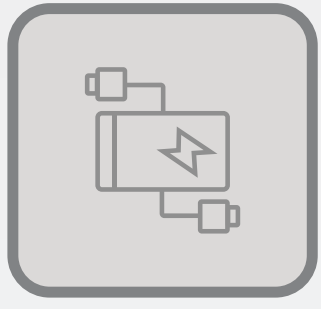

## COMPACT DESIGN

Powerful charging capabilities in a sleek, portable form for on-the-go power.

## BUILT-IN INPUT/OUTPUT CABLE

Made to keep every device charged and charges the powerbank itself to eliminate needing any extra cables.

## SIMULTANEOUS CHARGING

Charge multiple devices at once, ensuring every device stays powered up and connected.

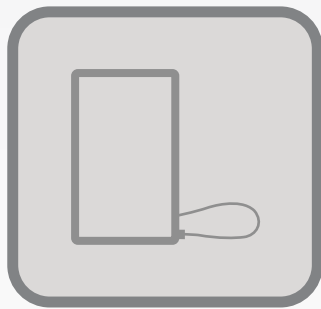

## RUBBER & TITANIUM COATING

Designed to resist against impacts with a durable coating, offering reliable protection while keeping a stylish look.

## PD 30W

Charge devices more efficiently, saving time, and ensuring your devices are powered up quickly.

## GRIP CABLE

Created to make portability effortless with a firm grip that's also a charging cable.
