## PREMIO

5 IN 1 MAGSAFE WIRELESS CHARGING STATION

### Description

### Product Features

1. Compatible for magnetic wireless charging, Qi standard mobile phone wireless charging, iwatch wireless charging, earphone wireless charging.
2. Support 15W wireless fast charging for phone, 2.5W wireless charging for iwatch, 3W wireless charging for Earphone.
3. One USB output: 5V/2A (10W).
4. Multistage magnetic combination, strong magnetic power to keep phone steady.
5. Atmosphere lamp with adjustable brightness.
6. Indicator: blue light keeps on, blue light flashing when FOD detection.
7. Support QC and PD adapter, advising to select suitable adapter to meet your multiple devices charging requirements.

### Parameters

Input : 9V 3.0A or 12V 3.0A

#### Top:

Magnetic wireless charging output power: 5W/7.5W/10W/15W  
Watch wireless charging output power: 2.5W (MAX)

#### Bottom:

Wireless charging output power: 5W/7.5W/10W/15W  
Headphone wireless charging output power: 3W (MAX)  
USB-A output power: 5V/2A (10W)  
Atmosphere Lamp: 2W  
Product weight: 295g  
Product color: Black

### Operation Steps

1. Connect product to adapter, blue indicator light keeps on.
2. Place your device in the correct charging area to charge. Please select a suitable adapter to charge your multiple devices, the device may not be able to enter the fast charging mode or charging may be unstable due to insufficient adapter power, it is recommended to use a 50W or higher power adapter when using this product to charge at full load.
3. Touch the button to turn on the atmosphere light. The brightness of the light can be adjusted to three levels of low, medium, and high. The led light is turned on, low brightness, medium brightness, high brightness, and off status when it is touched repeatedly. Long Press for 3 seconds to turn off the atmosphere light.
4. The USB output power is 10W max, charging for devices without wireless charging function.
5. FOD detection: when put metal or magnetic objects on the charger, the green indicator light will flash.

### Cautions

- Recommended for using product at environment temperature( -10°C to 45°C).
- Do not disassemble charger without authorization.
- Please do not put the metal or magnetic goods (such as coin, bank card, key etc) on the charging area while charging.
- Please keep the charger away from water or other liquid.
- Try to avoid full-load work of the product, so as not to affect the charging efficiency of the product.
