Product Overview

The Nano Mini Portable KeyChain PowerBank 4000mAh by LEVELO offers a sleek and compact design that combines both functionality and elegance for modern lifestyles. It features integrated cables with Type-C and Lightning heads, allowing for simultaneous charging of devices. A built-in lamp provides convenient illumination, making it easy to use even in low light. The device includes an LED indicator to keep track of battery status, while its keychain attachment makes it portable and always within reach. With refined craftsmanship and minimalist aesthetics, the Nano Mini is a versatile and practical solution for anyone on the go.

Specifications

Capacity	4000mAh
Total Power	14.8Wh
USB-C Input	5V/2A
USB-C Output	5V/2A
Lightning Output	5V/2A
LED Lamp	1W
Product Weight	94g
Material	ABS+Metal+Leather

Product Features

- a. Compact & Portable:** Sleek design with a keychain attachment for easy carrying, perfect for on-the-go charging.
- b. Integrated Cables:** Comes with built-in Type-C and Lightning cables, enabling simultaneous charging of multiple devices.
- c. 4000mAh Battery:** Provides reliable power for charging smartphones and other devices.
- d. Built-in Lamp:** Offers illumination when needed, ensuring visibility in low-light conditions.
- e. LED Indicator:** Displays the battery status with a clear LED light, keeping you informed of power levels.
- f. Minimalist Design:** Elegant and functional, designed to blend seamlessly into modern lifestyles.
- g. Durable Construction:** Crafted with high-quality materials for long-lasting performance.

Safety Precautions

- 1.** Disconnect the power bank from the device once it's fully charged to prevent overheating and battery damage.
- 2.** Ensure that the device you are charging is compatible with the power bank's output to avoid potential damage.
- 3.** Avoid exposing the power bank to moisture or water to prevent electrical hazards or short circuits.
- 4.** Do not attempt to open or repair the power bank yourself to prevent the risk of electrical shock or fire.
- 5.** Store the power bank in a cool, dry environment, away from direct sunlight and heat sources, to maintain optimal battery performance.

6. For safe charging, use the integrated cables provided with the power bank or certified alternatives to avoid potential damage or malfunctions.

7. Handle the power bank with care. Dropping or impacting it may damage the internal components and reduce its efficiency.

FCC Statement

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference; and

(2) This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for assistance.

RF warning statement:

The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products procured directly from the **Levelo** website or physical store comes with a 24-month warranty. **Levelo** products purchased from any of our authorized dealers are guaranteed with a one-year warranty. If you wish to extend this warranty, you'll need to go to our website at **<https://www.levelobrand.com/warranty>** and fill out the necessary form, making sure to include your personal information and a photo of the product. After your request has been evaluated and accepted, we'll send you an email notification to affirm the extension of your product's warranty.
